Premium Acrylic Butterfly Dining Set

A statement dining set crafted from premium-grade clear acrylic, combining modern elegance with long-lasting performance. The transparent design creates a spacious, luxurious appearance while the butterfly detailing adds a distinctive artistic touch.

- **Customizable Thickness:** Chair acrylic thickness can be customized as per the client's requirement, design and application.
- **High Strength & Durability:** Manufactured using quality acrylic with appropriate thickness and construction for excellent rigidity and everyday use.
- **Weather Resistant:** Suitable for indoor and appropriate outdoor applications; acrylic does not rust or corrode like metal.
- **Long-Lasting Clarity:** We use premium-quality acrylic selected for excellent resistance to yellowing, helping maintain its crystal-clear appearance for years under normal use and proper care.
- **Easy Maintenance:** Smooth, non-porous surfaces are easy to clean and maintain.
- **Premium Finish:** Precision fabrication and polished edges provide a clean, crystal-like appearance.
- **Custom Made:** Dimensions, acrylic thickness, cushion colour and other design elements can be customized to suit the client's requirements.
